# Community

Building a Reiki business is hard. It can be even harder to build one alone. There are still a lot of people who don't know what Reiki is and you might not have many like-minded friends to turn to for support. But in the Build Your Reiki Business program, you'll have the support of fellow Reiki practitioners building their Reiki business, too. You'll be in good company and you won't be alone.

## Monthly Group Sessions

Join other Build Your Reiki Business program members each month for two 1 hour Q&A, discussion, and networking sessions with Christian. Get your questions asked and answered. Connect with and encourage one another. Talk to other Build Your Reiki Business members who understand your journey. Get new ideas. Make friends and accountability partners.

Held on Zoom during the first and third weeks of the month with changing days and times to accommodate different schedules. Sessions are recorded if you can't join live.

## Private Facebook Group

Join the private Facebook group for members only to connect in between sessions, ask questions, share information, get program updates, and encourage one another. There's no requirement to join, but it's one more way to stay connected, get support, and know you're not alone.

*I am so grateful for taking the Build Your Reiki Business program! It provided such valuable information and cleared up many confusing steps for me!!*
